Welland Conservation Program
 Live Smart. Be Green. Better Welland.

FLUSH 'N SAVE

Am I eligible?

1. I am a resident of the City of Welland and have a valid Welland Water Account number.
2. I am replacing an existing toilet with a flush volume of 13 litres or more.
3. I have completed all components of the application form located on the adjacent side of this sheet. Incomplete applications will not be accepted.
4. I have verified that the toilet that I have purchased can be found on the list of eligible toilets (Please see list at www.welland.ca/conservation or the engineering desk at City Hall).

Additional Information:

- Please see list of toilets which are eligible to receive rebate at www.welland.ca/conservation or the engineering desk at City Hall (60 East Main Street, Welland).
- Due to program popularity, there is a limit of 5 rebates per household.
- The City of Welland acts independently from local retailers and cannot enforce or administer promises from them should the application not meet all criteria for rebate.
- Rebate may take up to 1 month to receive.
- The City of Welland disqualifies certain makes/models Eco-Energy UNAR-qualified toilets which have been tested by Veritec Consulting, Inc. should they not perform to acceptable standards.
