Bicycle helmets are not permitted.

- must be accompanied to the skate by a responsible person 16 yrs or older who must maintain visual contact throughout the skate

Adults

- are encouraged (but not required) to wear a CSA approved helmet to maintain safety on the ice

Individuals with serious medical conditions

- are at greater risk while skating
- should be accompanied by another individual knowledgeable about their condition(s) and responsible for their direct supervision

Maximum Capacity

- for all recreational skating programs is 119 skaters

Helmet Safety Recommendations

(according to the Canadian Standards Association)

1. Choose a helmet that fits snugly to prevent any shifting.
2. Follow the manufacturer's instructions to make sure your helmet fits comfortably.
3. Helmets should have the manufacturer's identification number, model, size and a permanent warning on the outside of the helmet, detailing the limits of its protection.
4. Try your helmet on and make sure the chin strap gently makes contact under your chin.
5. Always look for the CSA International certification mark.
