### M.T Bellies Uncorks for the 150<sup>th</sup> Anniversary!

**For Immediate Release – Thursday, June 26, 2008**

Welland – John Clark, Proprietor of M.T Bellies, has joined the ranks of those celebrating the City's 150<sup>th</sup> Anniversary with a glass of the special sesquicentennial vintage.

Thanks to Clark, Welland's Sesquicentennial wine is now available by the glass or by the bottle to patrons of the popular eatery.

"A lot of people have been looking for a place to sample the wine before purchasing it. John Clark has given people that opportunity while they dine at M.T Bellies," stated Julie Roy, Tourism Assistant for the City of Welland.

According to Clark, "Making the 150<sup>th</sup> wine available just makes sense. It's a great way to promote the Anniversary, as well as Niagara College Winery, which produced the special vintage."

The wine is also available for purchase at Niagara College's Wine Store in Niagara-on-the-Lake, or you can call Julie Roy at 905-735-1700, ext. 2321 to place an order and have it delivered to City Hall.
